Re : FOIA #14-3

Dear Mr. Slaughter,

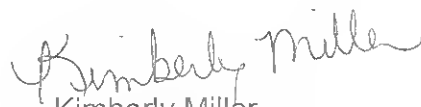

This responds to your Freedom of Information Act Request for copies of Cipher Systems, LLC contracts/OTAs as a member of the System of Systems Security Consortium from January 2005 to August 2013.

A search for responsive information was conducted by the U.S. Army Acquisition Contracting Center – NJ. Unfortunately, no responsive records were found as no awards were made to Cipher System, LLC.

If you are not satisfied with this "no records found" response, please notify this office in writing (within 30 days) so that formal denial procedures can be implemented.

I can be reached at (973) 724-6589, the above address or by electronic mail at [usarmy.picatinny.ardec.list.pica-freedom-of-information-act@mail.mil](mailto:usarmy.picatinny.ardec.list.pica-freedom-of-information-act@mail.mil) should you have any questions.

Sincerely,

  
Kimberly Miller
